ONE MILE AND FIVE FURLONGS COVERED IN 2:45 1-5.

Drexel Stakes at Washington Park Won by Dick Welles, Which Made the Mile in 1:38.

NEW YORK, July 7 .- Capping a climax of victories unprecedented in the history of the American turf, Africander proved himself to-day the greatest three-year-old thoroughbred of his generation. He has surpassed the triumphs of Hanover and Hermis, beaten the best handicap horses and stamped his superiority among his contemporaries in decisive style. He won the Lawrence Realization stakes at one and five-eighths miles at Sheepshead Bay after a battle with probably the best collection of three-year-blds that has ever struggled for that classic prize. He overcame speed, courage and endurance in his adversaries, and, in spite of misfortune after misfortune in his own battle for the front, sprang to the lead in the very last strides after racing at a speed that broke two records before the winning post was reached and set a new mark for future Realization winners.

Africander won by a head from Golden Maxim, which was two lengths in front of Savable. Whorler followed, four lengths back; Short Hose was fifth, a length and a half away and twelve lengths in front of time was 2:45 I-5, faster by two and twofifth seconds than the record made by Major Daingerfield last year. Africander was second choice at 3 to 1 in the betting. Short Hose, backed from 4 to 1 to 5 to 2, was fa-PACE WAS TERRIFIC.

To a very prompt start Cardinal Wolsey, with Gannon up, was quickest away, but immediately went back, and Golden Maxim. ridden by Cochran, took the lead as the field swept down the Futurity shute. Whorler, with Odom in the saddle, carried Whitney & Duryea's colors close behind, and the yellow and blue of John A. Drake showed Savable in third place. They seemed to be going easily, but the pace throughout the race was terrific. Africander was fifth passing the stand, but moved up on the turn into the back stretch and ran to the stretch closed lapped on Savable, who was third. Odom made his run with Whorler nearing the far turn, but Golden Maxim rated along, always holding the Brooklyn winner safe. Short Hose, favorite and victor in the historic Withers, could never get up to the leaders.

Despite the killing pace he had set throughout Golden Maxim turned into the stretch still going easily along ahead of Savable on the rail, lapped by Africander. Golden Maxim went wide and O'Neil tried to take Savable through, but the leader closed in sharply and cut him off. O'Neil pulled in sharply and cut him pulled to the outside and made his bid. Savable responded with a splendid burst of speed and looked a winner for a moment. Then Golden Maxim drew away.

Cut off at the turn, Africander had lost length, and now, with the goal less than 300 length, and now, with the goal less than 300 yards away, he was pocketed against the fence by Savable, with Golden Maxim in front of him. Bullman kept his head and waited for what seemed the impossible. Savable faltered and left six feet clear, and in an instant Africander had turned out of his stride and was going around Golden Maxim and gaining on him at every jump. It was only fifty feet to the wire, but the splendid colt raced doggedly on, made up a length, and then, just as the wire was and then, just as the wire was , showed his head in front. The roar that greeted Africander's final burst rose to a tornado of cheers as he won. Bullman came in for tredmendous and well-earned applause when he weighed out.

RAN A MILE IN 1:38.

Drexel Stakes at Washington Park Captured by Dick Welles. CHICAGO. July 7 .- Dick Welles won the

Drexel stakes at Washington Park to-day in a gallop. The distance was one mile, which the winner covered in 1:38. BETTER DAY FOR THE TALENT AT THE FAIR GROUNDS TRACK.

Sortie and Theory Easy Winners-Poor Starts in Running Events-Carrie I. Beaten by Nyx.

The decreased attendance at the races yesterday afternoon demonstrated that the Welles was a 1-to-2 shot. He immediately Indianapolis sport-loving public desires running races in preference to harness events, unless the latter should be Grand Circuit races. There were three running events on West, was beaten by Flobob in the fifth the card, and they were given at the tail end of the programme. The first part of the afternoon was consumed by three harness events and the heats did not elicit as much enthusiasm as the parade of the runners before the dash events.

It was the common talk in the stand that to 1:41 1-5. Haviland's record takes the if the Indianapolis Racing Association desires to build up the running racing game ing. TWO FAVORITES WON. Two favorites finished first in the running events and Carrie I, the odds-on favorite in the last event, went second to Nyx, a 5-to-1 shot. The books did a good business, but horsemen were more disgruntled than ever because of the poor starts in the last three events.

Monday it was worse, but to-day is the ize that he has a hard task, but on several in the card had been run. Starter Blair was abused on all sides for the manner in which he handled the running events. Men were kind enough to attribute the poor starts to his inexperience with the thoroughbreds, but they declared that a man was foolish odore, Auditor, Sanctum, 118; Don Domo, to lay a wager with the books when he knew he would not have a good run for his money and stood chances of having his horse left at the post because of the incompetency of the starter.

Just before the last event Mr. Blair announced that improved gates would be used for starting the running events, beginning to-day. He said the jockeys had worn him out trying to get them off from the barrier, and he was determined to line them up in front of the gate for the start. The first event on the card was the 2:30 trot for the \$1,000 Hotel stakes. There were six starters in the first heat, but four of them were distanced. Shady Beattle, the favorite, captured the first heat by jogging under the wire. In the second heat Shady Beattle was a favorite at 1 to 5, and he won easily, with Prince Caton second and Iris I third

There were four starters in the second event, the 2:10 pace. Shade On was the favorite and he won the first two heats by several lengths in easy fashion, Little Frank finished second and Little Sphinx rohe, 110 (Troxler), 11 to 2, won; Cormoro, first heat. The finish in both heats witthird. Gus Wilkes was distanced in the nessed a procession in the stretch.

LADY PATCHIE A WINNER. Lady Patchie, a 7-to-10 favorite, won the second and third heats. Nicollette, an even-money proposition, took the first heat and was driving hard for the wire in the second, but broke in the stretch.

A hot tip was out on Powwood in the Fourth-Mile and seventy yards: Bas first running event at seven furlongs, and he was quickly backed down from 20 to 1 to 7 to 1, and he carried many bets. Peters Fifth-One mile: Helen Print, 106 (F. would have stood a good chance to win Smith), 11 to 5, won; Orpheus, 94 (Bridwell), with Powwood, but in a poor start Sortie, the favorite, got away in the lead and had little trouble landing first money. Jack McGinn and Herodes fought it out for Sixth-Mile and one-eighth: Pierce J., 110 McGinn and Herodes fought it (Troxier), 13 to 5, won; Brown Vail, 107 (H., place, the former finishing second. Onyx II, picked for a position in the race, was left at the post. while Joe Buckley, with McJoynt up, got off in the rear and was unable to push to the front. D. of R. finished second and

The last event witnessed a poor start, but an exciting race, as Carrie I, the oddson favorite got off in the rear and pulled into second place at the finish. BLAIR'S STATEMENT.

Starter Claims He Mas Hard Lot of Jockeys to Handle.

W. W. Blair, who is acting in the capacity of starter at the local races, does not fancy the criticism that is being heaped upon him. He said last night that he was not looking for the best of it, but he believed the public did not realize that the worst lot of jeckeys in the country to handle are in attendane at this meet and he has found it impossible to make them obey his orders at the post. He said that he could not send the jockeys to the barn or refuse to give them a mount, because there are only a few riders here, and if he tried to impose a penalty on them there would not be enough riders for the starters Mr. Blair says he is entirely conversant

with the running racing rules and the spectators at the races do not seem to realize what he has had to contend with in trying "The starting on Saturday was bad, on | to secure good starts. Those who have criticised Mr. Blair realworst I ever saw in my life," declared a occasions he has recalled the stafters and then sent them away on a much poorer
